DISTRICT BOARD'S OFFICE,

VIZAGAPATAM,

Dated 29 July 1896.

From

W. O. Horne Esq<sup>r</sup>

PRESIDENT, DISTRICT BOARD,

VIZAGAPATAM.

To

The Honorable J. F. Price

CHIEF SECRETARY TO GOVERNMENT,

LOCAL AND MUNICIPAL DEPARTMENT,

MADRAS.

(Thro' the Sanitary Commissioner  
Madras)

SIR,

I have the honor to state that, in  
Government order No. 2259 & mis dated 30<sup>th</sup>  
September 1892, sanction of Government  
was obtained for the establishment of three  
itinerating Calf Vaccination depôts, in the  
Visianagaram, Parvatipur and Narsipatnam  
Talukhs in addition to the stationary depôt  
at Vizagapatam, for the supply of calf  
lymph for vaccination. The parties were  
working from November 1892 and there  
was a considerable increase in the number  
of cases vaccinated every year. There were  
however, frequent failures in the supply  
of lymph from these depôts, and even  
the short supply that was made to  
vaccinators

vaccinators, was of the most inferior quality. For under the present system, the Superintending vaccinators who have charge of the itinerating calf vaccination depôts, cannot devote all their attention to the preparation of lymph, as they have also to show like all other vaccinators a certain rate of vaccination every month. In fact they devote much time to vaccination in order to get rewards, and therefore go to villages which are away from the places where they keep the inoculated calves, and are sometimes prevented from getting back in time to extract lymph. The Deputy Inspector of vaccination Vizianagaram Range and the District Medical and Sanitary Officer therefore proposed to the Sanitary Commissioner a better plan for the supply of lymph, by establishing stationary depôts in place of the itinerating depôts, and placing them under the charge of competent vaccinators, holding them responsible for the preparation of good lymph and entirely relieving them of vaccination work. The Sanitary

Commissioner  
put up.

Minute No. 211  
164/ dated 11<sup>th</sup>  
October 1895  
Enclosed sent.

Commissioner approved of the scheme and considered it desirable to fix the responsibility of supplying lymph on one individual and also thought that the plan suggested ensured more effective supervision in addition to the great advantage of reduced expenditure. The Board therefore resolved to try it.

Under the new system there will be a stationary depôt at Vizianagaram under the charge of a Superintending vaccinator on Rs 25 who will supply lymph to the vaccinators in the local fund Taluks of Vizianagaram and Parvatipur. There is at present a stationary depôt at Vizagapatam under the charge of a vaccinator on Rs 20. His pay will be raised to Rs 25 and a probationer on Rs  $7\frac{1}{2}$  will be employed to assist him. This depôt will supply lymph to the vaccinators in the Vizagapatam and Karisapatam Taluks as well as the agency vaccinators, municipalities, jails &c. A proposition statement showing

The alterations to be made in the vaccination  
establishment by the introduction of the  
new scheme and a copy of the resolution  
of the District Board sanctioning the  
same are herewith submitted. I  
request that the sanction of Government  
may be obtained.

I have the honor to be,

Sir,

Your most obedt servt,

*W. Brown*
