NOTE FOR THE Assistant Secretary.

In G.O. No. 2533 L, dated 5th December 1894, the District Board of Godavari was permitted under article 863 of the Civil Service Regulations to contribute for pension from Provincial funds, on behalf of certain classes of local Fund offices in the district, including the appointments of two supervisors. On this the President enquired whether with reference to para. 2 of G.O. No. 738 L, dated 5th April 1893, the present sanctioned pay plus the difference between the same and the former pay, can be paid to those who already hold pensionable appointments, the contributions payable from local funds on their behalf being considered as personal allowances. This query was answered in the affirmative, with the remark that the sanction of Govt. should be obtained for the grant of personal allowances in such cases. Vide G.O. No. 1218 L, dated 12th July 1895. A statement showing the name

of the Local Fund employees entitled to personal allowances was then submitted for the sanction of Govt. In this statement Mr. Sherard was shown as an overseer on Rs 70 prior to 1st April 1895 and on Rs 63 after that date. But his service register showed that he was appointed as Supervisor on 1st April 1895. As Mr. Sherard did not continue to hold the overseer's appointment, which is pensionable, he cannot be granted a personal allowance from the date he was appointed as Supervisor. Hence the President was informed in G.O. No. 712L, dated 11th April 1896 that Mr. Sherard lost his title to pension, meaning thereby that he cannot be granted a personal allowance. The President's proposal that he should be granted a personal allowance as overseer when he is actually holding the appointment of Supervisor is on the face of it absurd.
