Taluk Board, Cuddalore
15th July 1896

From
The President
Taluk Board
Cuddalore
To
The Sanitary Commissioner
Madras.

Thro' The President
District Board
South Arcot.

Sir,
I have the honour to state that
there are 14 burial and burning grounds
within the limits of the Keerizipadi Union.
The Union Panchayat wants to reduce
the number. With reference to this the
Taluk Board has passed the following
Resolution:-

No. 7. Read proceedings of the Keerizipadi
Union Panchayat dated 26-2-96 and
the Chairman's letter no. 10 dated 28.5.96
regarding the reduction of the number of
burning and burial grounds;
And the notes of the President Taluk
Board remarking that there are too many
burial grounds in the Union. One
for Hindus, Sudras, and Brahmins;
one for Christians and pariahs and one
for Mussalman will be ample.

The Board finds that the regulation
of

of burial and burning grounds is not one
of the duties imposed upon it by law and
interference with them may be
considered unauthorized. This matter
will be brought to the notice of the
Sanitary Commissioners for consid-
eration in connection with the
revision of Act V of 1884.

This point has
not been noted
by Govt for con-
sideration when the
Act comes before
revised.

MS

I therefore request that you will be
so good as to move Government
to consider this matter in connection
with the revision of Act V of 1884.

I have the honor to be
Sir,
Your most obedient servant.

Order
The Government does not consider
it desirable to amend the Local
Boards Act as proposed. In cases
like the present the necessary action
may be taken by the magistracy
under Section 190 of the Indian Penal
Code.

I should say that the question
should be considered when the revision of the
Act was taken up - I should say it would be
well to vet L. Bd with some sub-power -
of course, T. Bd a Union Parishads

note Please see the notes on pages 70,
71 + 118 of the file relating to the amend-
ment of the Local Boards Act.

It is however rather doubtful whether
Sr. 290, 291 J.P.C. would apply to a case
like this.

I do not think that the decisions of the
L.P.C. quoted would apply. I am
inclined to favour the proposal
made.
