To

The Chief Secretary to Government,

Sir,

With reference to the Memorandum of Government dated 2nd July 96, No 767, I have the honor to state that the necessary sanction was not applied for apparently through a ^{misapprehension} misunderstanding on the part of the late District Board Head clerk that it was not necessary as the entertainment of the female apothecaries was already sanctioned by Government in G.O dated 17th February 1893, No 345 L. This and as the additional establishment required within Rs 20 can be entertained under G.O dated

C. H. Mounsey
President

See the accompanying

17th May 1894. No 889 L, as a temporary
measure pending formal sanction
in the ensuing year's budget. Under
the same misapprehension the requisite
sanction was not obtained in
respect of the dispensary opened at
Salem in September 1894. Vide corres-
pondence ending with G.O. dated
20th March 1895, No 533 L. Mis. A
Proposition statement & copies of
of the resolutions of the District
Board are enclosed for formal
sanction as required in para 51
of the Local Fund Rules.

I have the honor to be,
Sir,

Your most obedient servant
Wm. W. W.
