Extract from the proceedings of the District Board, South Arcot, passed at a meeting held on the 31st July 1896.

32. Read letter from the Chairman of the Cuddalore Municipality, dated 16th June No 211, informing that the Municipal Council has resolved to open a dispensary (instead of an Hospital as originally proposed) for women and children.

The District Board is willing to contribute Rs 1000 from the Reserve towards the expense of the proposed dispensary until the Hospital is built.

It observes from the wording of the Municipal Council's Resolution, and that of the Chairman's covering letter, that the Municipal Council is under considerable misapprehension in the matter. The dispensary is to be temporarily established, not to take the place of the Hospital, but as an alternative to the proposal that until the

the Hospital is built the police Hospital
should be utilized for treating women and children.
