Kurnool District Board Engineer's Office

Kurnool 2nd November 1895

From

H. Muckewjee Esq

District Board Engineer,

Kurnool

To

The President, District Board,

Kurnool.

Sir,

I have the honor to bring to your consid-
eration the fact that the contract works were
begun late in the year and they must be com-
pleted before the close of the official year. My
draughtsman's work has been doubled as he
will have to furnish copies of Estimates and
Plans etc to the new overseers and contractors;
besides numerous Original works are being
sanctioned by the different Taluk Boards now
and fresh estimates and plans are required
to be submitted for their sanction.

Further as the Inspector of Local Fund accounts
is expected very soon; my office establishment
are busily engaged in keeping all the accounts
ready for his inspection, so I cannot spare
the services of any of my clerks for the copying
of estimates etc.

I therefore request that you will be good
enough to accord your sanction to my
employing a temporary Gracer on Rs 15/-
for 6 months for fair copying estimates and

5/2/110 KMB

Plans etc whose pay may be met from the contingencies and supervision of works.

During the time of my predecessors a temporary hand was sanctioned more than once to help the office during pressure of works.

I have etc
