PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:-

Endorsement of the Local and Municipal Department, dated 19th January 1895, No. 53, on letter from the Collector of Ganjam, dated 24th December 1894, No. 718.

From the Collector, Ganjam, dated 7th January 1895, No. 50.

O R D E R:- No. 1271, dated 10th August 1896.

The tenure of the Bissoyes is a service one defeasible on breach of any of its conditions express or implied, and even at the will of Government if and when Government decides that the service is no longer required by it. Should Government decide at any time to terminate such service tenure, the grant of any commutation or compensation in the form of a money allowance would be in law merely an act of grace.

2. From Mr. Weir's letter it would appear that the conditions of the grant have already been violated, as the Bissoyes are reported to have dealt with the land as if it were their own property, mortgaging and alienating portions of it, instead of confining themselves to collecting customary dues from the ryots.

unnecessary, either in the interests of the ryots or of Government. Its adoption would put an end to all difficulties in the assessment and collection of road cess under Act V of 1864, and the Board of Revenue will be requested to obtain the views of the Collector of Ganjam upon its expediency and to submit them to Government with its own remarks and opinion
