MUNICIPAL COUNCILLORS' OFFICE,

TRICHINOPOLY 15th August 1896.

No. 13 L. R. Ry
 FROM, P. S. Suigaraiah Pillai
 CHAIRMAN,

Municipal Council,

TRICHINOPOLY.

To,

The Chief Secretary to Government,

Local and Municipal Department,

FORT ST. GEORGE.

Through the Collector of Trichinopoly.

SIR,

With reference to Memorandum No 930 dated 11th August 1896, I have the honor to submit the following explanation.

clause (3) Water works: The full establishment sanctioned was not employed as the water works were opened only at the end of April 1896, i.e. after the close of the official year under report.

Hospital

✓ One midwife was not entertained
 ✓ 2. Compounders on Rs 4 each were employed instead of two on Rs 9 each, the difference having been paid by the President, District Board the understanding being that after undergoing a training they should be

available for service in Local Fund
Dispensaries.

Curator. Temporary arrangements
were made pending the final orders of
Government on the suggestion of the
Surgeon General as to the splitting of the
appointment into two vide G.O. No. 4623 on this
Hence the excess expenditure. 17.3.96.

Vaccination. A Vaccinator was not em-
ployed as no woman with the requisite
character and qualifications was available.

Conservancy. 3 scavengers were not
employed owing to new latrines intend-
ed to be, but not having been built.

A peon on Rs. 6. was replaced by an
Inspector on Rs. 10. for the night soil depot
Vido G. O. No. 1094 M. S. dated 16th July 1895.

The additional 5 Inspectors sanctioned
in the Budget were entertained only
from September 1895. A revised statement
is submitted.

Private Scavenging. 6 scavengers
were not employed.

(4.) The statements received from the
Educational officers were scrutinized and
discrepancies explained in the statements.
The errors pointed out seem to be clerical.
The figures of the Educational officers may
be accepted as correct. The statements
having been forwarded in original, there
is no means in this office of referring to the
figures quoted in the memorandum.

(7) The number of labor cases attended by
the midwives was 96. The figure 95 in
the Medical office's report is incorrect.
Para 47. The number of vaccination operations
on children below one year of age was
2211 and not 2209 which is incorrect.

I have the honor to be
