SUBJECT.

Reporting that there are no
unallotted village sites in
Allipuram and Kattimandam
-palem villages for assignment
to the owners of the huts now
proposed to be acquired.

I don't know about para 2.
The case is not exactly on all fours
with that dealt with in G.O. 24th
in that case, there was nothing to show
that, if the Ministry paid a sufficiently
high sum, it could not acquire some.
To the Collector of Visagapattanam.

* Other piece of land which would have been an equally good site for the location of houses for the people who had to be ejected in order to form the burial ground. In this case, the argument is that a particular piece of ground must be taken up because the persons ejected must find places to live in close to the R.F. Station. I think very well the Act to be put into operation.

It occurs to me that the Nevada must acquire the land on which Buckingsham & other suburbs have been formed - was not that taken up under the Act?

Sir,

In reply to your letter no ¹³/₉₆ dated 20th Inst. I
 have the honor to inform you that the site therein
 referred to is the only remnant left to us out of
 the whole of Maddelapalem Estate. This I intend
 improving by building a house for myself on the
 very portion you require, in as much as its
 proximity to the Waltair station affords many
 facilities. I therefore request you will be good enough
 to select some other site, and spare my land and
 permit it to remain as it is. The strip of land that
 you require if taken will deteriorate considerably
 the value of the remaining portion. I hope you will
 kindly be able to see your way to grant my request as
 I hold the land invaluable to us, and any compensa-
 tion that you may grant therefor will not make
 good to me the loss of the land.

I have the honor to be,

SIR,

On the 1st December last a fire broke out in Allipur and Kattemandipalem villages forming part of the Vizagapatam Municipality and consumed 145 thatched huts. The villages being overcrowded with huts with no proper streets all the attempts made to confine the fire within certain limits were futile. In the absence of roads or streets in these villages it is also impossible to maintain sanitation. The Municipal Council therefore wishes to take advantage of this opportunity to remove some of the burnt huts in places where they are over crowded and to form streets. To meet this end it is

CHIEF SECRETARY TO GOVERNMENT,

SIR,

Adverting to your memo. dated the 5th May last, No 511, I have the honor to report that no unallotted village sites are available in Allipuram and Kattimandupalem villages for assignment to the owners of the huts now proposed to be acquired. There is a large vacant space in Dibba-lapalem, hamlet of Vizagapatam, formerly occupied by the Regimental lines; but the Municipality intends to assign this land only to applicants who are prepared to construct tiled houses - a good idea which I fully approve
