Submitting with remarks
Negapatam Chairman's
letter requesting sanction
for the sale of certain
ground found to be
useless for municipal
purposes.

Note

With reference to the collector's remarks in his letter, it is
submitted that as the land has been in the possession of
the Municipal Council for 25 years, it may fairly be pre-
sumed to be municipal property. If any private person
has a right they can assert and establish it in a
Court of law.

I am inclined to think that the Collector is right
but the matter is not one worth making a
row about
