MEMORANDUM

From the Resident in Travancore and Cochin, No. 2780, dated 4th September 1896.

With reference to the advertisement by the Travancore Darbar copy of which was furnished to Government with Mr. Thomson's letter printed in G.O. No. 3001 W, dated 9th July 1896, I have the honour to report for ^{the} information of Government that the Darbar has selected Messrs A.C.C. McLeish Robert Everard C.E., Arthur Bastow and H.A. Minchin for service in the State, and desires me to obtain the sanction of the Government of India for their appointment.

2. Mr. Everard is to be an Assistant Engineer on Rs. 250 rising to Rs. 300 and Mr. Minchin an Executive Engineer on Rs. 500 Both these officers are now in the service of Government the former being a Supervisor on Rs. 200 on the temporary establishment of the Madras Public Works Department and the latter an Assistant Sanitary Engineer on the Trichinopoly water works. Both of them possess good certificates and are better known to Government than to the Darbar or to myself. It is doubtful however whether Mr. Everard is a European and whether his appointment requires the sanction of the Government of India.

X X X X X
4. As the services of these officers are urgently required the Darbar desires me to obtain the provisional sanction of Government to their appointment which I beg to request may in the circumstances be communicated to me by wire.

Referred to the Local and Municipal Dept. as regards the proposal of the Travancore Darbar to appoint Mr. Minchin an Executive Engineer. It is understood that if Mr. Minchin accepts service in the Travancore State he will not receive any pension from British revenues.
