XV. Read report of the Chief Sanitary Inspector reporting that one Koomossa-wamy Naidu who was fined by the Stationary Sub Magistrate in the sum of Rs 5/- for the encroachment in front of his shops & who promised to him to remove the encroachment within 15 days died lately and his wife who was asked to remove it, state that she is unable to remove it & no body to assist.

The 1st and 2^d Floradus were removed by the man himself and the remaining 5x25' of land is covered by 2 shops and is unobjectionable in as much as it is far behind the adjacent buildings on either side. It may be recommended to Govt to allow the land on which may be fixed by Government. As the deceased's wife is not willing to pay the rent the building may be removed by the Municipality at her expense.

Municipal Office
10 August/96

Chairman

Ref. No. 545 Agd
Enf

Office of the Municipal Council

CONJEEVERAM 10 August 1896

FROM

M. R. Ry. & N.

TO

THE Chief Secretary to Government
 Madras.

Through Collector and Sub-collector of Chingleput Dist.

SIR,

A pensioned Sepoy named Moonosawmy Naidu owner of houses Nos. 194 & 195 Hudsonpet in this Municipality encroached upon the Government foramsboke land adjoining his house and constructed thereon a portion of his shop; a masonry Koradu with terraced top; and a mud Koradu which are marked A, B & C respectively in the plan herewith enclosed.

2. The aforesaid Moonosawmy Naidu was prosecuted for the encroachment by the Municipality before the Stationary 2^d class Magistrate of Conjeveram under Sections 167 & 163 of the Municipal act and he was convicted and fined in the sum of Rs 50/ which was confirmed on appeal by the Joint Magistrate of Chingleput.

3. After his conviction a notice was issued to him by the Municipality for the removal of the encroachment and he complied with it as regards the masonry and mud Koradus B & C and removed them but not the encroachment A which extends to the middle of the shop where a boundary stone stands.

He was again prosecuted for not removing the encroachment in
 A. under Section 264 of the Municipal act. and while the
 case, in progress he filed a civil suit in the Court of
 the District Munsiff of Boudjournan to establish his right
 to the land, and to recover from the Municipality the
 damages he sustained owing to the demolition of the
 terraced top over the masonry Horadu B. This suit was
 lately dismissed for failure to include in the suit the
 parties who are interested in it as the plaint disclosed
 that the land belonged to Varniers in Common, and that
 the plaintiff was appointed by the headmen of that caste
 as trustee to construct shops on the land & appropriate the
 income arising out of them in the shape of rent for the
 expenses of the temple close by it. The criminal case
 which was pending in the Stationary Magistrate's court was
 lately disposed of and the defendant Moonsawonytair
 was fined, but he did not live long after this to
 remove the remaining encroachment A. The Council before
 which the matter was placed for consideration as to the further
 steps to be taken in it, finding the unremoved encroachment
 situated far behind the adjacent buildings and unobjectionable
 resolved to recommend to Government to the renting
 land to the deceased's wife. Should she
 or otherwise to remove the encroachment
 of the Municipality. An extract of

Council is also herewith enclosed.

4. The deceased's wife named Annoyu annnall, has
 put in an application asking for the land covered with
 encroachment A. either being sold or to let it to her on rent.
 The extent of the encroachment is 24'-10" x 5'. I have also taken
 the recorded consent of the headmen of the Varniers caste
 to the land being let to the deceased's wife at the rate that
 may be fixed by Government.

5. Under L. O. No 863 M dated 21-5-96 Government
 have passed orders to the charging of rent on plain open
 Horadus at 4 as per square yard, but the encroachment in
 question is one covered by shops.

6. I respectfully solicit instructions as to the rate of rent
 to be charged on this land should the Government see no
 objection to grant the same on rent.

I have the honor to be,
 Sir,

Your most obedient servant,

W. S. S. S. S.
 Chairman
