SIR,

In reply to para 2 of G.O. date
29-7-96 No. 1262 M. mis. I have the
honor to forward a copy of the Head
Quarters Deputy Collector's letter date
23-8-96, No. 1123 of 96 in which he
explains that the site applied for a latrine
being situated close to a choultry, there
was ^{much} opposition from the townsmen
in the neighbourhood, and that as re-
gards the site needed for a night soil
depot, the Dewan of the Pittapur Shabab

objected to its acquisition
on the ground of its pro-
ximity to a temple and
has offered another site.
These considerations have
led to the withdrawal by
the Cocanada Municipality
of its application for
lands in Cocanada & Turang.
required for the construction
of latrines and a night
soil depot.

The Municipality ought
to have considered the above
objections before applying
for the sites in question.
It has now resolved to
select other sites.

Sir, In reply to para 2 of your Refon
Cur no $\frac{840}{229}$ of 96 of 8-8-96, I have the
honor to inform you that as the 186
of an acre of dry gram land at Cocanada
originally proposed to be acquired by the
Municipality for the construction of a
latrine, is situated close to the Choultry,
there was much local opposition from
the inhabitants of the town to the use of
the site for the purpose intended and the
Municipality therefore, on reconsideration
gave up the proposal of acquiring that
site and resolved to select another site
for the purpose. As regards the 570 of an
acre

acre of the wet Devadayan Swami^{at}
Tirangi required for a right soil de-
pot, the Dewan and authorized agent
of the Pithapur State in which the
village of Tirangi is situated on
being called upon to assign fresh land
in exchange, suggested that another
land might be selected for the purpose
as the one now situated is quite close
to the Tirangaswami Temple in
the village and the use of it for ^a
right soil depot would cause great
inconvenience to ^{about} 2000 people that
gather there annually for processions
as also for feeding people visiting
the festivals. It seems that the Govern-
ment has also found fault with the
Municipality for realizing no income ^{from} the
right soil and the Council therefore
on reconsideration, gave up the proposal
of acquiring land for the deposit of
right soil and has accepted an offer
from one Dabla Suryanarayana Rao

to lease out his land for a period of
eight years for the purpose on the condition
of his paying to the Municipality ^{an}
of Rs 5/a year rising by annual in-
crements to Rs 12/. By this course the
Municipality will not only have the
cost of acquiring the land, but ^{will} also
derive an additional income annually
and this is the reason why the land
applied for is not required by the
Municipality
