READ—the following paper:—

From W. HUGHES, Esq., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 11th August 1896, No. 1309 T.C.

The estimate of Rs. 4,900 for providing additional waterpipes and fountains in the Pioneer and Infantry Lines at Trichinopoly sanctioned in G.O., No. 3192 W., dated 13th December 1895, has been sent prior to receipt of G.O., No. 1931 W., dated 2nd July 1896, to the Sanitary Engineer to Government for execution. It is now reported that the Assistant Sanitary Engineer has applied for an advance of Rs. 3,500 to pay for the materials purchased for the work.

2. There is an allotment of Rs. 5,000 for the work in the final issue of the Imperial Military Works budget for 1896-97. I have, therefore, the honour to request sanction of Government to the execution of the work by the Sanitary Engineer and to place the amount of the estimate at his disposal.
