Sir,

With reference to your endorsement dated 20-4-96, sent to me for remarks on the petition submitted to the Chief Secretary to Government of Madras, by some of the councillors, I have the honor to state that when the petition was brought to me for signature, my wife was seriously ill. I could not read the whole of it, and read only the last para of it. As the portion I read contained certain matters worth bringing to the notice of Government of Madras, I presumed that the whole petition represented correct facts.

As I have read it now in detail carefully, I find that it contains matters discussed in my absence, which I do not like to mention in the petition. As I could not attend the Meetings held after 20th December 1895, I do not like to sign the petition containing the matters discussed in those Meetings. I therefore hereby withdraw my signature attached to the petition under reference.

The delay in giving the above remarks is due to my absence from town, it is only on this instant that I returned to Ellore.

1874
The petition under reference is herewith
returned.
