respectively of the report are incorrect.

2. Clause (4) of the memo. The total sum of Rs 544 given in column 10 of statement VB is correct. but the details did not tally with it, as the grant earned by Seshadripaliam School number 12 in the statement, should have been Rs 66-4-0 instead of Rs 64-4-0 which is incorrect.

3. Clause (5). The figure 219 given in column 6 of the statement VB appertains purely to the strength of the Lower Secondary schools aided by the Council in the shape of salary grant. Whereas the number of boys shown as 444 in the assistant Inspector's statement includes strength of both aided and unaided departments.

4. Clause (6). Statement XA revised and submitted as directed but column 2 of it is left blank for want of population for each ward.

5. In conclusion I beg to state that I regret for the errors crept in the report and due attention will be given for the future

future in the preparation of these reports. The necessary
