(Through the Sanitary Commissioner
Madras.)

Sir, I have the honor to state that at a meeting of this Council held on the 4th instant the supervision of the Conservancy staff of this Municipality was considered, and it being unanimously felt that three Maistries as at present existing (not including Private Scavenging Maistry) are wholly inefficient to keep the Conservancy work up to the required standard it was resolved that instead of three Maistries on a total pay of Rs. 26 per mensem ~~as now exists~~ the following

staff should be substituted viz.

3 Maistries at Rs. 6 per mensem - Rs. 18.

2 " " Rs. 5 " " 10

Total Rs. 28.

An increase of Rs. 2/ per month which for the balance of this year can be met from savings under this head. I am strongly of the opinion that if this change is sanctioned it will be found that scavengers will be better supervised and the town kept cleaner. I request that sanction may therefore be given to make the change. It may be added that there are many very suitable men here who are anxious to get such a post and who will gladly accept it and work hard on the pay named in revised scale.

I have the honor to be

Sir

Your most Obedt. Servt.
