Sir.

Adverting to your Ref. on Cir. No $\frac{421}{\text{DB}}$ dated 14th March 1895 on letter No $\frac{\text{L. I. D}^{F}}{655}$ dated 15th February 1895 of the Asst Accountant General and Inspector of L. I. Accounts, Madras, I have the honour to state that the work in this District is rendered heavier for the following reasons and it was on that account that the Audit Department was proposed t be increased by a hand on Rs 20. of

(1) The maintenance of the wor of metal stock, brick manufc ren

live stock unlike other Districts.

(2) The Sanction to render pensionable about 260 appointments under G. O. No. 2533 L and M dated 15th December 1894 and the consequent maintenance of additional registers to watch the regular and punctual Credit of the pensionary Contribution from those employés to Provincial Revenues, verification of their Service Registers and the preparation of their pension applications.

(3) The receipts and expenditure of the District being such as would bring it
Seeing that the difference between it and Tanjore the first Class.
under the first Class District, to but a lakh of rupees in the aggregate annual receipts and expenditure.

this if accepted is a reason for raising the Hd. Clerk's pay from 70/- to 75/-, not for increasing the establt. See G.O. 1259 L L&M of 31.5.92

2. In Consequence of the increase in the work as explained above, has been practically found impossible Spare one of the hands for the inspection the union Accounts and keep the tice work Current as has been rightly marked by the President against para III (i) of the Inspection Report for April 1892 to November 1893 embodied in G.O. No. 1469 L (L and M) dated 7th August 1894.

on page 8 of the G.O.

SIR,

With reference to the Acting Under Secretary's Endorsement No. 1007, dated 24 July 1895 referring to me for remarks an application from the President of the Godavari District Board for sanction to the entertainment of an additional Audit Clerk on Rs. 20 per mensem, I have the honor to report that the Correspondence which has passed between my office and the Treasury Deputy Collector, Godavari tends to show that while the extra Audit work entailed by the Special institutions maintained by the Godavari District Board is not sufficient to fully occupy the time of the additional Clerk applied for, it is probably more than the present Audit Establishment can cope with unaided. I would accordingly recommend that the application be sanctioned, but on the express under-standing that the Audit work is not in future allowed to fall into arrears in any respect, and especially that the Audit Head Clerk performs in future the full number of inspections of Union Accounts required by rule.

The delay in submitting this report has already been explained.
