Sir,

With reference to para 2 of G.O. dated 19th
June 1896, No. 1033. M. M. S., I have the honor to
submit the following.

2. Para 1(4). The buildings referred to
here belong to (1) Olati Parappa, (2) Olati
Venkatarangiah and (3) Gunslapally Nara-
sainulu Chetty, son of the deceased Municipal
Councilor G. Ramiah Chetty and they were
constructed in 1891 or thereabouts. Parappa
and Ramiah were granted permission
in 1891 by the Chairman, and as observed
by the Collector, not only the Survey Draft
but also the plans of the sites had not
been consulted at the time. These permis-
sions not having been granted by the Coun-
cil under section 180 of the Council Act
Meeting of the 8th Instant Cancelled
those permissions and resolved to take
action under section 264 of the Act.

2. Olati Venkatarangiah, Minor grand-
son of the deceased Councilor Ramiah

Cheth, did not obtain any permission And he will also be proceeded against under the above section.

4. Para II (2). One Kancherla Chenchaya is the owner of the houses alluded to. He applied for permission to repair the pavement of 90x6 ft And permission was granted on the 28th June 1890. While repairing it, he extended the same by 30x6 feet And put up a thatch. pandal over the whole pavement viz 120x6 feet.

5. He subsequently applied for permission to put up a tin roof And finding that the whole pavement was on the Municipal land, the Council resolved to allow the same if he should pay rent at 4 Annas per Antham.

6. He declined to agree to it and actually put up a tin roof.

7. Seeing that the party never obeyed the Council's Orders, he was ordered to remove the thatch, & the 2nd pavement and the pandal over the whole length And as he did not remove the same, a Civil suit was filed and decree obtained.

8. The party then came to terms and offered to pay rent for the whole of the pavement, thus admitting the right of the Municipality to the site of the pavement though permission had been granted.

9. The Council in its resolution dated 19th Sep. 1894 No 215 resolved to lease out the site of the whole pavement viz 10 Anthams for Rs 1-14-0 per annum at 3 Annas per Antham and to allow him to have the pavement and pandal over it. He accor-
dingly paid rent from 1890-91 to 1894-95.

10. The above proposal was not sanctioned

by Government And notice was issued to him as per G. O. dated 2nd April 1895 No. 587 Dr. The pavement has been partly removed.

11. As the Council cannot go proceed against him under section 43 of the Civil procedure Code for 90x6 feet of land and as the party has already admitted the right of the Municipality to it And agreed to pay rent for the same, his prayer may be granted and the Council's original proposal sanctioned. As in the case of the pavement in front of the Chattram, there is no inconvenience to the public, and the road is very broad.

12. Para II (3). When the owner of the houses applied for permission, the place was inspected by two Councillors who found that a row of stones ~~had been~~ fixed in the ground as the boundary of the land, and on their recommendation the Council in resolution dated 18th October 1893, No 231 granted permission.

I have the honor to be
Your most obedient servant,

P. Sivaranyappa
Chairman
