To The Chairman
Municipality
Kasulapatam.

Sir, I have the honor to point out that it is not quite clear from your Budget Statement for 96-97 whether two Hospital Assistants are allotted for the main hospital. Apparently the proposal to have a 1st class Hospital Assistant in charge of a Branch Dispensary was intended to take the place of my proposal to have a second Hospital Assistant for the main Dispensary and now the Branch Dispensary proposal has been negatived by Government it would appear that the original proposal has been lost sight of. I shall be obliged therefore if you will apply to Government to sanction ^{another} ~~a second~~ 3rd class Hospital Assistant for the main Hospital in view of the fact that the work

and sanctioned the entertainment

is far too heavy for one man to be able to do it
thoroughly. My proposal to have a second
Hospital Assistant at the main Hospital
was I understood approved of by the Council
who however suggested the different and far
more expensive method of affording relief
to the main Hospital staff which has been
negatives by the Surgeon General and by Government.

I have the honor to be

sanction of Government for the entertainment
of a 3rd class Hospital Assistant.

Considering the nature of work required
of the Hospital Assistant at the main Hospital
the Council consider a 2nd class Hospital Assistant
very necessary. The Government may be asked
to sanction the entertainment of a 2nd class man
