With reference to para 3 of G.O. No. 525 m. dated 24th March 1896, calling on me to report upon the result of the revision of assessments I have the honor to inform you that the establishment for the revision of house and land taxes was entertained only from the 1st July 96 as it was not possible to have the work commenced earlier owing to the heavy monsoon.

The house and land tax registers of C and D divisions have been completely revised and the revision inspectors are now engaged in revising the registers of C and I divisions. They were not able to show good work in July and August 96, owing to the monsoons. I am receiving a weekly progress report of this work C and

and reviewing it. I shall see that
the work is done satisfactorily as soon as
possible. I am however afraid that they
will not be able to finish the work
before the end of the four months fixed
by Government.

I have the honor to be
Sir
your most obedient servant

Richard M. Johnson
