Chief Secretary to Government
Local & municipal Department, Madras.

Sir,

With reference to G. O. No. 583 M dated 31st march 96, calling upon this municipality to furnish certain information required by the Sanitary Board in order to enable the Board to advise finally as to the adoption of one of the two schemes of water supply, I have the honor to state that under instructions from the Sanitary Engineer to Government, a pit well was sunk in the immediate vicinity of the mananchira tank. After the well was sunk 16 feet deep, the earth on the sides of the well gave way and the well came to grief on the 16th may 96. The work was pushed on afterwards and had to be stopped when the monsoon burst out. Mr. Jones has written to me that he will visit Calicut soon. In Consultation with him I will submit the necessary information to the Sanitary Board.

I have the honor to be
Sir
Your most obedient servant

Chairman.
