Sir.

With reference to your letter No. 539/18.6.96 asking my opinion about placing the Mayavaram Primary School on the S.R. System, I have the honor to state that if you agree to the following proposals regarding the school, I do not think it advisable to place the School on the S.R. System.

2. The proposals are:–

(1) That the Curriculum of Studies will be the same as that for results Schools.

(2) That the School will be subject to periodical inspection by the Inspg. Schoolmaster as any other Primary School and that the Department will be entrusted with larger powers calculated to make the supervision efficient; and

(3) That promotions to higher Classes will be made on the examination by the Sub Assistant Inspector of Schools in conjunction with the Headmaster of the High School, if necessary.

Resolution 7. Read G.O. No. 398 M. dated 10th March 1896 reviewing the Budget of this Municipality for 1896-97.

Resolved that the 1st Assistant of the Kornad Saliya School and the Muni Inspecting Schoolmaster be each given a increase of one rupee as suggested by the Director, with effect from 1st April 1896, and that the existing rate of 2 annas per mensem for Sing service and 4 annas for double service for the Private Scavenging pass be continued until the Council is able to show, by increasing the number of houses resorting to the service, that the system is self supporting. The other matters referred to will receive the attention of the Council. The Director's suggestions to improve the Mayavaram Primary School and S. Girls' School will be considered at the next meeting.

SIR,

With reference to para 4 (3) of G. O. No. 398. M., dated 10th March 1896 referring for the consideration of the Council, the recommendations of the Director of Public Instruction in Clauses ii, iii and iv of his letter embodied therein, I have the honor to state that the subjects were fully discussed by the Council with the following results:—

2. Para 1 (ii) of the Director's letter: It was recommended on the score of efficiency, that the Upper Primary School, Mayavaram may be converted into a Salary Results School. The Assistant Inspector of Schools, T. Dn.,

who was consulted on the matter suggested certain proposals (Copy enclosed) for adoption if the School is to be retained on the Salary System. The Council, having, in the main, adopted his recommendations, the School is to be maintained, as hitherto, on the Salary System.

3. Para 1(iii) of the Director's letter: As proposed by the Director, the Council has allowed a further increase of Re 1 to the first Assistant of the Saliya School. But, in regard to the Girls' School, the Council regrets its inability for want of funds, to adopt such high salaries for all the 4 teachers. For the present, it proposes to fix the salary of the Headteacher at Rs 12 & Rs 15 according to qualifications, with effect from the date of appointment i.e. 1st August 26.

4. Para 1(iv) of the Director's letter: The Council proposes to allow a further increase of Re 1 to the municipal Inspecting Schoolmaster thus raising his pay to Rs 19 per mensem, during the current year.

5. The Council's resolutions for the above, with a statement for the revision of Establishments and applications for the necessary allotments of funds accompany.

I have the honor to be

Sir,

In returning the papers, received with your endorsement No. 8893/19-8-96 I have the honor to state that the suggestions made by you in your letter No. 292/15-1-96 embodied in G.O. No. 398 Mn./10-3-96 have not been adopted by the Council in toto.

2. As regards the conversion of the Municipal Primary School into an S.R. School in my letter to the Chairman I stated that the School need not be placed on the salary result system if he agreed to the following proposals.

(1) That the curriculum of studies will be the same as that for results schools.

(2) That the School will be subject to periodical inspection by the Inspecting Schoolmaster as any other Primary

5/2623 [illegible]

School and that the Department will be entrusted with larger powers calculated to make the supervision efficient.

(3) That promotions to higher classes will be made on the examination by the Sub Asstt Inspector of Schools in conjunction with the Headmaster of the High School, if necessary.

These conditions are, I find, necessary for the efficiency of the School and for avoiding the danger of its being worked detrimentally to other Primary Schools and in the sole interests of higher education. The Chairman's remark that these suggestions have been adopted in the main is rather vague. If all these suggestions are adopted the School may for the present remain on the Salary System.

3. The Salary of the Inspecting School-master has been raised from Rs 18 to Rs 19, thus giving him the same salary that the Headmaster of the Primary School is in receipt of. As the Inspecting Schoolmaster according to the proposals in my letter referred to above is to inspect the Primary School it is essential that his pay should be raised to Rs 20

4. As regards the girls' School I suggest that the Inspectress be consulted
