Current No. 2672M

28 SEP 1896
Chief Secretary, Government of Madras

From

The helpless citizens of Madura city

To

His Excellancy the Governor in Council

May it please your Excellancy

We beg to bring to your Excellancies notice that out of the twelve (12) councillors, that voted to Mr Fischer on the election day of the chairman, 10 are the councillors that are in charge of the 10 Wards of the Municipality and 2 Europeans who are new comers to this city and know nothing of Mr. Fischer. (The above 10 councillors are all uneducated and 5 among them worth, we may say nothing. The 10 councillors hold the appointment simply because it is a source of income to them. Mr. Fischer during his regim as chairman has given them the charge of wards simply to gain them over to his side. Mr Fischer will act up to their will and pleasure whether just or unjust and sign in the papers put before him by them. There are innumerable mean instances which cannot be brought to your Excellency's notice. The above 10 councillors have been elected as such on account of the influence of the then chairman Mr Fischer who orally ordered Municipal Bill collectors and sanitary inspectors to threaten the voters and secure votes to the above ten (10))

In the meeting of the council on 16th September 1896 the above said councillors have allowed the chairman to delegate his powers permanently to Mr Fischer while they themselves in the previous meeting objected to the chairman having permanently delegated his powers to one Mr G. Srinivasa Rowe, on the ground the act does not allow it, and passed a resolution to that effect in the previous meeting).
