SIR,

I have the honor to state that the Council at its meeting held on the 19th Instant resolved to appoint a watchman to the Pottamarai Tank on a pay of Rs 4 with effect from the 6th of July 1896 — the day on which the repairs to the tank were completed.

The Council has in the course of the year spent a considerable sum towards improving this tank which was a standing nuisance. In consideration of the fact that after spending so much money on this tank it would be inadvisable to leave it to be polluted at random the Council has thought fit to entertain a watchman till the end of this official year. The cost amounts to Rs 36 and can be met from the closing balance

Proceedings of the Meeting of the Municipal Council Kumbakonam held on the 19th September 1896.
