OFFICE OF SURGEON-GENERAL  
WITH THE GOVERNMENT OF MADRAS,  
Madras, 5<sup>th</sup> - October 1896.

From

SURGEON-MAJOR-GENERAL - G. SIBTHORPE, F.R.C.P.S.

Ag: SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Local and Municipal.

DEPARTMENT.

SIR,

With reference to para 4(3) of G.O.No.1299-M, dated the 5th August 1896, I have the honour to state that the District Medical and Sanitary Officer, South Arcot, reports that the decrease in the number of patients treated was mainly due to a very large fall in the number of admissions under "other diseases of the digestive system" and that the reason for this is that "in former years there was a larger number of patients who were used to a liberal and indiscriminate use of castor oil whilst during the year under reference this was discouraged."

I have the honour to be,

Sir,

Your most obedient Servant,

*D. F. Bateman*

Surgeon-Colonel,

Acting Surgeon-General with

the Government of Madras.
