I Read Ref. on No. 153 dated 27th November 1895 from the
Collector of Chingleput District, informing that the qualifying
service of M. R. Dy. S. V. Kallapuram Pillai under Government
is less than 10 years, and he cannot be transferred to service
under Municipality.

In G. O., No. 1511 M. dated 19th September 1895, it is
directed that a trained and experienced Official ought to be
appointed as a paid chairman, until the numerous encroachments
are removed and to work out the scheme for water supply. The
Sub Collector and the Special duty, Deputy Collector made with
great labour and prolonged enquiry for about 3 months, a
personal inspection of all the encroachments and reported as to
what action is to be taken in each case, and the Madras Survey
Department has since been ordered to demarcate and survey the
town and already the preliminaries have been settled by

Mr. D. G. Hatchell, the Assistant Superintendent Revenue Survey with his Sub. Assistant Mr. R. Ry. Sundara Iyer. Aragal and the operations are actually to commence at once.

2. As regards water supply scheme a separate agency has already been appointed to carry out the work, and the work is in progress. Thus it will appear, there remains only the carrying out of the recommendations of the Sub. collector and the Special duty Deputy collector regarding the encroachment, and this, the Council most respectfully beg to submit, may be carried out by an Honorary Chairman; but, if in the opinion of the collector and Government a paid chairman is necessary to deal with the said encroachments, they will be pleased to defray such Officers for such time as they may deem fit for the purpose.
