Sir,

With reference to G. O., no 522 M dated 24th March 1896 para 2 and the subsequent reminders and in continuation of this office letter no 290 dated the 12th idem, I have the honor to state that P. Lanyasi, owner of a house in Kaspa, dug up foundations verging upon the municipal drain, after having obtained a license from the municipality for the erection of a pucca building on his own site. In the course of construction it was suspected that the party encroached upon a narrow piece of ground by one foot which he contended to be his. The matter was referred to a Councillor M. R. Py Rai Bahadur K. Karayanaswami Naidu gam, Police Inspector who, after inspection, failing to observe any perceptible encroachment, recommended that the benefit of the doubt should be given to the party as he had already completed the work & as the wall as it stood then did not in any way interfere either with the municipal road or drain and that the municipality may take a compensation
