PROCEEDINGS OF THE

MADRAS GOVERNMENT.

Local Municipal Dept.
 C. No. 2774 M

READ Proceedings of the Board of Revenue, Separate Revenue, No. 3000 Mis., dated 17th July 1896, submitting to Government letter from the Collector of Malabar reporting that the full amount of stamp duty has not been paid on the debenture bonds issued by the Palghat Municipality.

READ also the following letter from the Government of India - Department of Finance and Commerce - No. 4019 S.R., dated 21st Sept. 1896:-----

I am directed to acknowledge the receipt, with your Endorsement No. 2876 A., dated the 20th July 1896, of the Proceedings of the Government of Madras furnishing particulars of the debentures of corporate bodies outstanding on the 31st January 1896 on which no composition duty has been paid.

2 From the first of the two statements accompanying the Proceedings, it appears that the Municipal Council of Palghat issued eighteen debenture bonds of the aggregate value of Rs 17,000 with a one anna receipt stamp affixed to each of them. The total amount of the stamp duty paid in respect of the bonds was therefore rupee 1/2/0 only, whereas the amount chargeable thereon under article 15 of Schedule I of the Stamp Act was Rupees 85/-

3 I am to request that with the permission of His Excellency the Governor in Council, the Government of India may be informed of the circumstances under which the debentures in question were issued without being sufficiently stamped and that the Palghat Municipality may now be called upon either to have such of the debentures as are outstanding fully stamped or to pay the requisite amount as composition for the stamp duty chargeable thereon in view of their being notified as exempt from such duty.

ORDER there-on, No. 4009 Wis., d/ 7th Octr. 1896.

The letter from the Government of India read above, will be communicated to the Board of Revenue with the intimation that the Palghat Municipality should as directed by that Government be called upon either to have such of the debentures as are outstanding fully stamped or to pay the requisite amount as compensation for the stamp duty chargeable thereon in view of their being notified as exempt from such duty.

2. The Municipality should also be requested to explain in detail and more fully the circumstances under which the debentures in question were issued without being sufficiently stamped.
