The Chairman,
Municipal Council,
Kurnool.

To,

The Chief Secretary,
to Government,
Fort Saint George.

(Through the Collector of Kurnool)

Sir,

With reference to the concluding sentence of clause (5) para 3 of Government Order No 1297 M. Local and Municipal dated 5th August 1896, I have the honor to state that the Government Order in question was received by me on the 28th of August last.

2. As regards the private scavenging system I have the honor to submit that though I paid special attention

to it from the beginning of the year, I was not able to effect any marked improvement before August for want of the necessary staff and therefore by the end of July there was an increase of only 13 houses and the total number of houses served by Municipal toties on the 31st July was 180 against 167 on the 31st March 1896. But at the request of the Municipal Council Government was pleased to sanction an additional monthly expenditure of Rs 10 in G. O. No 1142 M. Mis: dated 8th July 1896 and consequently from the 5th of August two Inspectors have been employed, viz one on Rs 35 and another on Rs 25. Ever since the appointment of the additional Inspector I have been able to pay increased attention to the private scavenging system. During the month of August several notices were issued to owners of insanitary premises and on the 31st of August the number of private scavenging

of similar means in September the number rose to 250 on the 30th of September. During the month of September prosecutions were also instituted in 25 cases. From the 1st of October 31 additional houses are being served by Municipal toties. It will thus be seen that the total number of private houses, whose owners are availing themselves of the services of Municipal toties from the 1st of October, is 281 with a monthly income of Rs 50-13-8, as against 167 houses with an average monthly income of Rs 31-3-6 on the 31st of March 1896.

3. In conclusion I have the honor to submit that no efforts will be spared to effect further improvement in the private scavenging system during the remaining portion of the year.

I have the honor to be

Sir,

Your most obedient servant
