From

Surg. Lt Col H.D. Booth M.B.

Civil Surgeon, Ootacamund,

To

The Chairman  
Municipal Council  
Ootacamund.

Sir,

With reference to your letter —

No 2627 dated 6 October 1896, asking me to explain the decrease in the total number of patients treated during 95-96, and compared with the previous year. I have the honour to state that the decrease is due to the following causes

1. The steady working of the Hammett dispensary at Kandal for the latter half of 95-96. The total treated during 95-96 being 2547, whereas the number treated during 94-95 was only 1084.
2. During the year 95-96 patients were repeatedly warned of the necessity of preserving their tickets. This advice was not stringently carried out in previous years, and patients who

had lost their tickets were admitted as new cases. This accounts for a portion of the increase, which is apparent and not real.

I have the honor to be  
Sir

Yours most obedt. servant
