With reference to memorandum, dated 15th June 1896, No. 662, I have the honor to say, that the Deputy Collector, Madura Division, after personal inspection of the locality in question, reports, that the site is Inam and is far away from the mosque, and that the location of the latrine thereon, will not in any way be objectionable or an obstruction to people who go to the mosque, which is approached by other ways, and that, as far as he could see, there is no other less objectionable site. A rough sketch is enclosed for perusal. Under the circumstances stated, I beg to submit that the objection need not be considered.

Requesting to cause the enclosed notification regarding the acquisition of land for ~~the~~ construction of latrines ~~within~~ in the Madura Municipality to be published in the Fort Saint George Gazette.

(With orders) 6/6. a 15/6/96

30th April 1896

Before the 1st class Revenue Inspector of Madura Taluka

Statement made by Muhammad Batchamiah Sahib son of Sheik Hussain Sahib residing in Latifsha Pallivasal street Madura.

Punnash no: 323 measuring 5-14-11 gulies is Inam assigned to me for the support of Latifsha mosque. An extent of 5000 square feet out of it has been selected for the construction of a latrine near the barbers' huts. I am not willing to part with the land. I am in possession of the land. It is Sarvamaniyam, I am not paying any assessment or road cess to Government on the land. In the land of wh. the site selected for the latrine forms part stand the said mosque and graves. The construction of a latrine at that site is objectionable. As it is close to the path leading to the Vaigai, the people will find the latrine to to be a nuisance. I will not say anything about the value of the land. I am not willing to part with the land for any amount.

2nd May 1896

Before the 1st class Revenue Inspector of Madura Firka.

Statement made by Periagurusami Chettiyar son of Valavandan Chettiyar, West Chetti Street, Madura Town.

I purchased the 46 cents of land in Survey No. 262 A, in Court sale. I am now enjoying the land. I filed a suit against Viratti Asari on account of debt due by him, and, in full satisfaction of the debt, the land was sold by the Court in public auction and I purchased the land. It was about 10 or 12 years ago. I do not know for how much amount the land was purchased in Court sale. Out of the said 46 cents, an extent of 5000 square feet has been selected for constructing a latrine. I am not willing to give up this extent alone. But, I am willing to part with the land if the whole extent be taken up. I am willing to give up the 46 cents of land if I am paid Rs 1000 as compensation. There is now a demand for the land for Rs 750. I must be paid something more.
