Sir,

Adverting to your R.Dis No. 2724 of 1896, dated 23-6-96, I have the honor to state that the Periyakulam chairman's letter to Government 255/4.11.95 was forwarded by me to the Periyakulam Tahsildar for report as to the right of the Municipality to the land. The matter has since been under correspondence. I have the honor to forward the above letter together with the chairman's letter No. 348/1.2.96 and the

the Periyakulam Tahsildar's arzis Nos 1054/1-12-95, 1118/20-12-95 and 400/27-5-96 with their enclosures and to state as follows:-

2. The Chairman, Municipal Council wants to sell portions measuring 32618 sq. square feet, of unoccupied village sites in Survey Nos 1344 and 1345 in Kaikilangulam village within municipal limits and to make a profit of Rs 15-0 as estimated by the council.

3. For the reasons given by the Tahsildar there is no doubt that the land is not vested in the Municipality. The land was originally manitham land belonging to the Kurnam and Pattangar. Some land on the river bank

bank in Tenkarai village was taken up for Cross road. At the request of the Sanitary Association Government transferred the above manitham lands to village site, in order that the people whose houses had to be knocked down for the road might build houses thereon. The Kurnam and Village Munsiff were recompensed by the grant of Government waste in place of their manitham lands.

4. The manitham lands though transferred to village site did not therefore in my opinion become vested in the Sanitary Association or its successor the Municipality, any more than

than any other village site in-
cluded in municipal limits.
5. The whole of the land trans-
ferred to village site was not
utilized for building houses.
It is, the portion not utilized for building
that the Council wants to sell.
6. The land like other village
site is at the disposal of the
Revenue Department, and
in the ordinary course would be
disposed of under the rules for
granting house sites in rising
towns.
7. But whoever is the owner of
the land I don't think it de-
sirable to allow it to be built on.
It is an open space such as should
be kept for the use of the public

in

public in a rising town.
8. Moreover when I went to the
spot with the Deputy Sanitary
Commissioner he was of opi-
nion that the ground, having
been long used by the public
for storing manure and rub-
bish, was not suitable for
building sites, on sanitary
grounds.

I have the honor to be,
Sir,
Your most obedient Servant,
W. H. Scattie
for Collector.

309. Proposed by the Chairman that some of the Kattanai manjanie lands in the east of Kaikalangulam lately handed over to the Sanitary Association be assigned for house sites by sale or exchange.

Resolution:— Approved. The Government to be addressed.

(True Extract)

G. Lawrence
Chairman
4. 11. 95

Association in July 1884 for assigning house-sites to those whose houses and lands were taken up by the Association for opening a new road in Kenkarai. I understand that the Nattamgar and Kuram were given other lands by Government in exchange for those which were taken up from them. The letter of the Tahsildar of Periyakulam informing the Chairman of the late Sanitary Association that orders have been issued to the Nattamgar and Kurnam to hand over their manipam lands to the Association for assigning house-sites to those whose houses and lands were taken up for opening a road on the South bank of the Varahanadi, has been recorded in the proceedings of the Association dated 27th July 1884. A sketch annexed to this will show

Show how much of the lands was
given to those whose houses and
lands were taken up for opening
the road. The remaining land
as shown in yellow colour in the
other sketch is to be sold in auction
or otherwise, as the same is not
required for any municipal purpose.
The land has been in the possession
and enjoyment of the Sanitary
Association from 27th July 1884 to 12th
April 1886 and in that of the
Municipality from 12th April 1886 which succeeded it
up to date. A sum of Rs 150 is
put down in the current budget
as a receipt from the Sale of the
land and the Government has
observed that its Sanction for the
Sale should be sought through
the Collector - Vide para 3 of G. O.
dated 9th February 1895 No 181 M.
I request therefore that Sanction
may

may be accorded as early as possible for the sale of the land.

2. Copy of the resolution of the Council on the subject is also submitted.

3. The resolution was passed at a meeting attended by the Sub Collector.

4. I request that the sketches may be kindly returned when no longer required.

2. When a new road was constructed in 1884, it became necessary to provide sites for certain people whose houses had to be removed. A piece of waste land was so provided, the Board of Revenue sanctioning the grant of certain waste land in exchange (Vide Board's Proceedings No 5817 mis, dated 25th June 1884). It is the balance of this piece of land which was not required for providing for the dispossessed householders that the municipality now wish to sell. In the Settlement Register, this land is shown as Village Poramboke.

3. It is clear, that as the site was acquired at the cost of Government (by exchange of waste land for which the local body did not pay) and registered as village site, it remains the property of Government and does not vest in the municipality

4. The informal order granted by the Chairman directing the land to be handed over to the President of the Sanitary Association (which preceded the municipality) is obviously of no effect as a formal grant. It merely means, that the President was at liberty to arrange to settle the evicted persons on the land.
