Note for the Councillors.

The District Surgeon proposed that the existing rates for subscription and medicine might be doubled or that the subscribers might be made to pay cost of medicine at single rates in addition to their subscriptions and that the cost of medicine supplied to others levied at double the present rates.

2. The Council in their resolution dated 26th June 1895 declined to sanction the proposal as it was rather hard.

3. In his Annual report for 1895-96 the District Surgeon again put forward his proposal viz levying subscriptions and the cost of medicines at single rates from subscribers and charging medicines supplied to others at double rates, for consideration and the Council expressed their former opinion.

4. In his endorsement the Collector remarked that there would be a considerable increase in the medicine receipts though the subscribers might diminish.

5. The matter is placed before the Council for reconsideration. The experiment may be tried.

From
G. W. Dance Esq.
Ag. Collector of Malabar.

To
The Chief Secretary
to Government
Madras.

Sir,

In reply to G.O. no. 1444 M. mis dated 28th August 96, I have the honor to submit the following report.

2. On receipt of the above order, I summoned Chockalingam Pillai to appear before me. He appeared and produced the petition protesting against the election which he had previously presented to me on the 30th July, the last day of the term allowed for protests. I have already informed the Government that when this petition was presented, I returned it on the ground that it was too vague to act on, and that details of the intimidation and the names of the intimidators should be given. I did not hear any thing more of the petition till the Government ordered me to inquire into it.

3. It is alleged in the petition that "certain influential persons had intimidated several voters and made them to give their votes for Vencitachala Iyer". Chockalingam Pillai, in answer to my questions, said

that the Vadacanthara Adikari and four moothans had been Canvassing for his opponent at the polling booth but there was no intimidation. He added however that the four moothans had been given a present of Rs 50 by Vencitachala Iyer. These men are not on the list of electors for the Big Bazaar ward, so that I doubt whether the payment of any money to them for their services during the election would Constitute bribery. In order however to avoid a further reference from Government, I summoned five persons to appear before me today who were said by the petitioner to be in a position to testify to the payment of the money.

4. Of these five men, four have appeared and been examined. Only one of them speaks to the payment of any money. The other three state that the four moothans and the Vadacanthara adikari intimidated the electors by threatening to teach them a lesson if they voted for the Petitioner. One of these

witnesses however, the only one of the three who had a vote, attached so little importance to these threats, that he voted for the petitioner. It is for the Government to say whether the Petitioner is to be believed, who admitted that there was no intimidation, or his witnesses who were Called to testify to the bribery and have given evidence of intimidation.

5. As regards the payment of money to the moothans one witness who was cited by the petitioner, and another who came with him today without being summoned testify to the distribution of Rs 50 and two pieces of cloth between the four moothans on the day following the election. The distribution took place at Vencitachala Iyer's shop at about four in the afternoon. The witness Raman Chetti who was one of the petitioner's supporters at the election was Called in to witness the payment. Although a crowd of persons were present when the money was paid, the Petitioner did not hear any thing of it until after he put in his petition to this Office, which accounts for his omission to say any thing in it about the bribery.

6. The records of my enquiry are

P.T.O.

Enclosed. The polling officer was Mr. Cardozo, the Assistant Superintendent of Police. I submit that if elections were liable to set aside on evidence such as has been produced in this Case it will be very difficult to fill any of the elective seats on Municipal Councils.

I have the honour to be,
Sir,
Your most obedt. Servant

for Collector.
