1. Read G. O. No. 1723^{23.10.95} regarding the
Administration Report of the
Madras Municipality for 1894-95.
Resolved unanimously that the
undermentioned

undermentioned proposal of Mr
Venkatarao regarding Private
Scavenging System be passed.
Certain portions of the Government
order will be considered on the
15th of February 1896 along with
reports of the Sub-Committee members
on the Administration Report.

Proposal of Mr S. Venkatarao:—
As regards the order of Government
in para 3 of clause 4 of its review
on the Administration Report of 1894-95 the Council beg to offer the
following explanations:—

That the Council while willing to
attach due weight & importance
to the several orders received on
the subject of Private Scavenging
at the same time beg to point out
that

that they have encountered with
serious difficulties to ~~uproot~~ the
prejudices which the public have
in the matter of extension of private
scavenging. After a good deal of
persuasion, instruction & exam-
ple the public are now beginning
to appreciate the benefits that accrue
to them by accepting the service
they have increased the number
of houses from 75 to 200. They
resolved to take individual
responsibility in the matter of
extension & collection. Notices
were issued to owners of in-
sanitary premises to keep their
backyard clean before the Council
systematically prosecute them
under section 221 of the Act.
We hope to show satisfactory
results

results before the 31st March
1896. As the time from forre-
fication is too short they
humbly solicit the Govern-
ment to extend the time to 31st
March 1896 to report upon the
progress of the Private
Sanitary System.
