H.M.
Misc.

Order. No 1881 Municipal 6-11-96

The entertainment of a chief Sanitary Inspector on a salary of R 60, rising to R 85, by annual increments of R 5, with a horse allowance of R 15, and the required allotment of funds are sanctioned.

2. The remarks and suggestions of the Sanitary Commissioner in his letter read above, will be commended to the municipal council for careful consideration.

5/11/96

3/11/96

Note. Please see the notes and orders in G.O. No 314. M. dated 22nd February 1896. The council has after much prevarication, agreed to have a Chief Sanitary Inspector, and it does not seem desirable to urge on it, at present the high ideal of Sanitary staff suggested by Dr. King.

We must be content to ~~[illegible]~~ hasten slowly

To The Chairman, M.C. Madura.

ENCLOSURE No. one

In a letter

FROM,

THE CHAIRMAN,
MUNICIPAL COUNCIL,
MADURA.

No. 43

Dated 16th September 1896.

No.

Copy of note prepared by the Chairman.

1/25-86 M.o. 996

Note

I consulted Dr King and after a good deal of consultation we came to the conclusion that the following Staff is necessary. One Sanitary Inspector for 10,000 people is required to look after the daily work; in addition one Chief Sanitary Inspector to supervise the others to maintain discipline, muster the menials and to advise the Council in Sanitary Questions. He should have passed the L. M & S. examination or the Civil Apothecarys test and should have been trained to the Sanitary test. His pay may be 60-5-85 (annual increments Rs 5/.) together with a horse allowance of Rs 15/- He must keep a horse and no private practice will be allowed.

2. All the other 10 Sanitary Inspectors may be of the same grade but it is advisable to differentiate them so as to hold out prospects of promotion to the juniors on one side and to secure men of higher attainments to deal promptly

promptly in case of epidemics.

I propose the following appointments

Two Sanitary Inspectors on 35-5-50 }
Eight asst: Sany Inspectors on 25-2½-30 }

These officers are recommended to keep horses in which case a Sanitary Inspector to be allowed 10 Rs Horse allowance and an assistant Rs 7-8- The officers in charge of the 1st, 5th & 10th wards must maintain horses; the others are to be allowed option. The Sanitary Inspectors must be of the Hospital Assistants grade (private practice not allowed) or assistants of approved service or exceptional experience. All the officers must have qualified themselves by the Sanitary test.

3. A Prosecuting Sanitary Inspector is meaningless. The post may be abolished and a Prosecuting officer on Rs 20 or 25 be appointed to work under the Chief Sanitary Inspector. His duty will be to conduct all prosecutions on behalf of the Municipality and report the result.

4. Thus far for the supervising Staff.

The question of menials and depôts will be treated of in a seperate note. It is not intended that the above staff (with the the exception of the Chief Sanitary Inspector, should be entertained at once. The present Inspectors are incompetant and are not entitled to get the increase but it is unfair to turn them out. If they pass the Sanitary Inspector's test they may be promoted as Assistant Sanitary Inspectors.

5. Not only the Sanitation of the Town will be highly improved but I expect a large development of municipal revenue. All the unlicensed persons will be promptly reported. Private Scavenging will develope by leaps and bounds, the market fees are bound to increase, fines for encroachments &c &c.

6. The above are Dr. Kings proposals; another proposal has also been suggested to me

It is pointed out that no one would be able to maintain a pony or horse at a cost of 7½ Rs or even at Rs 10 per mensem. One Sanitary Inspector mounted ought to be able to keep two wards clean

clean. Every Sanitary Inspector must maintain a horse.

7. The financial effects are exhibited in the following table:—

Present scale			As per Dr King's proposal				As per another suggestion			
No.	Designation	Amount	No	Designation	Amount at starting	Final amount	No.	Designation	Amount at starting	Final amount

OFFICE OF SANITARY COMMISSIONER,

Fort St. George, 14th Octr 1896

Local & Municipal Dept.
CURRENT No. 2772 M

No. 1913/S

From

SURGEON LIEUT.-COL. W. G. KING, M.B., C.M., D.P.H.,
SANITARY COMMISSIONER FOR MADRAS,

To

THE Chief Secretary to Government
Local & Municipal Deptt.

Enclosure.

SIR,

With reference to your endorsement No. 1127 dated 1st October 1896, I have the honour to state that the staff described by the late Chairman as approved by me represents not what I would wish to see employed in Madura, but what, after discussion with him and ascertaining from him how far the Council was inclined to proceed, seemed the best condition I was able to extract in the interests of sanitation.

2. In certain matters, the Chairman has incorrectly assumed that my not discussing them implied my concurrence in existing conditions. Thus, I do not think the present untrained men should be entertained. The

The only two amongst them capable of receiving any training have received certificates – one other fairly educated man failed. Such men as have not put in 5 years service in the Municipality should, I think, receive 6 months warning to enable them to look out for some other post, or, if the Council still thinks it right to retain them, they should be no longer classed as Sanitary Inspectors but as conservancy duffadars. Five men would be ample, one being attached to each Sanitary Inspector, with the object of increasing their power of supervising details

This is rather an Extreme measure. The Council has after much opposition been brought round to ap a Chief Sanitary Insp & it proposes to re-organize the Subordinate Staff later on: It is submitted that the Council may be allowed to have its own way in the matter.

3. A so called "Prosecuting Officer" is desirable, but the cost should not be debited to the Sanitary staff; the same man could doubtless prosecute for other than sanitary offences and in any case, his pay could be met from fines levied.

4. In regard to remarks as to the small amount proposed for horse allowance, I of course recognize that Rs 7½ is insufficient. It can

only

only be regarded as an *aid* to maintaining a pony, which is essential for work.

5. As regards the Proceedings of the Council fixing the pay of the Chief Sanitary Inspector at the sum of Rs 60-5-85 I would state that this sum will not secure the class of man required, namely, a Civil Apothecary holding the L.M. & S, *plus* a certificate as Sanitary Inspector. In my opinion, it is essential that so large a population should have for its Chief Sanitary Inspector a really capable man. As a fact, a man of the class of Assistant Surgeons holding the M.B. & C.M. and L.S.Sc of the Madras University ought to hold this important post which involves the sanitary charge of the third largest town in the Presidency. Nothing but the fact that it would be difficult to find the necessary funds would restrain me from making this suggestion, and I think, therefore, the proposal that the Chief Sanitary Inspector should be paid from Rs 75 to 100

plus

plus Rs 15 is an economical compromise between what should and what can be.

6. The Supervising staff I propose would therefore be as follows:—

My proposal	cost per mensem	Chairman's proposal	cost per mensem
1 Chief Sanitary Inspector on Rs 75 to 100 + horse allowance Rs 15	average Salary 108 3/4	1 Chief Sanitary Inspector on Rs 60 to 85 + horse allowance Rs 15.	average Salary 78 3/4
4 2nd Class Sanitary Inspectors on Rs 25 to 35 + horse allowance Rs 7½ each	160	3 Sanitary Inspectors on Rs 25 each	75
5 Conservancy duffadars at Rs 8 each	40	3 -Do- -Do- on Rs 20 each	60
		4 -Do- -Do- on Rs 15 each	60
		1 Prosecuting Inspector on Rs 35 + horse allowance Rs 12	47
Total Rs	308 3/4	Total Rs	320

I have the honour to be,
Sir
Your most Obedt Servant
