Subject or Proposition. Read note regarding the payments made to some Local Fund Maistries employed in 1893-94 on Special Flood repairs of Great Northern Road, Gudur, without allotment.

Resolution. The Board declines to sanction the amount. The expenditure was altogether improperly incurred. As the amount has however already been paid, it can be treated as irrecoverable.

To the Chief Secretary to Government,
Local and Municipal Department,
Madras.

Sir.

The Great Northern Road, Gudur Section, having been seriously damaged by floods in November 1893, two estimates amounting to Rs 1250 and Rs 3140 respectively were sanctioned in December 1893 and February 1894 for repairing the damages. The repairs provided for in these estimates were executed in 1893-94. Further repairs to the extent of Rs 1122 were executed in the same year under the verbal orders of the late Supervisor Mr Booth, no estimate being prepared or allotment provided. This work was completed in March 1894 and was sanctioned by the District Board in resolution No. 1 dated 26th May 1894.

2. Subsequently in March 1895 or one year after the completion of the work, the District Board Engineer paid Rs 120 for certain maistries employed on this additional work in 1894-95 and debited the charges to the estimate for Rs 3140 above referred to. The Audit Branch objected to this procedure and the Engineer explained that the maistries were continued in 1894-95 as there was provision in the estimate. This explanation is of course unsatisfactory as, in the first place, no estimate was ever prepared for the work on which the maistries were employed, secondly, the provision in the estimate of Rs 3140 was exceeded by Rs 40, and thirdly, a provision for maistries in an estimate is no excuse at all for

their continued employment after the work has been completed.

3. In these circumstances the Board has refused to sanc-
tion the expenditure; but, as the amount was paid in
March, 1895 and it is not possible to recover it, it has
approved of its being written off as irrecoverable. (Vide copy
of District Board's resolution No. 240 dated 29th August 1896)
and I have therefore the honour to request that you will
be good enough to obtain the sanction of Government to
this being done.

I have the honour to be
