Read Telegram from San. Comm.
Order No. 1890 B. G. 13th October 1896

From the above Telegram it is
not quite clear what the San. Comm.
wishes to be done. It is therefore
requested to resubmit his proposals
in a more explicit form.

No assurance from the
Nizam's authorities would be
worth the paper it was written
on unless the inspection &
check were handed over to
European medical officers with
full powers.

Considering the number of
experienced medical officers
at Hyderabad, Secunderabad &c.
I question whether the propriety
of our addressing the Resident
on the matter. He & his
advisers are on the spot &
will know what can as well
as what ought to be done.

At 12.10.96.

To San. Comm. And accepted 13/10.

NOTE FOR THE A.S.

This, I think, should be treated as urgent. But the Honble Mr. Blier is not here. Papers are sent to him by post to Bangalore and Mysore. Orders are requested as to whether this also may be sent to H.M. by post. Perhaps it may be sent to the Honble Mr. Blier in his absence.
