In Orders.

For some time past the Government has been holding that lands not forming part of the actual roadway do not vest in the Commissioners under section 233 of Act I of 1884, and that they have no right to sell them - vide G.O. No. 811 M., dt 11th May 1896 & No. 1228 M., dated 22nd July 1896. In the present case the land which the Commissioners propose to sell is apparently of this description, but the sale of the adjoining bit to the east was sanctioned in G.O. No. 476 M. dt 20th March 1890, (Case No. 9).

According to the list in G.O. 476 M. dt 20. March 90, the lands (including No 9) all formed at one time part of the roadway (please see last col. in that list); and no adjoining lands are in question. From the map also both No 9 in the old list
