Letter—Mis. No. 1051 M., dated 22nd June 1896, to the Secretary to the Government of India, Home Department.

An application from the Kurnool Municipality for a loan of Rs. 5,000 in view to the construction of a market having recently been received by this Government, I am directed to submit it with the following remarks for the orders of the Government of India.

2. In Resolution (Department of Finance and Commerce), No. 13, paragraph 4 (1), dated 1st January 1889, it is laid down that loans to municipalities from Provincial funds may be granted only for works of public and general convenience and utility, ... and not for works which are merely or mainly ornamental or convenient, such as a town-hall, public garden, or market place. It appears, however, to His Excellency the Governor in Council that by the term "Market place" is meant an open space where people may assemble to buy and sell, and that it was not intended to cover a "market", that is, a covered building erected for the convenience of the public and fitted with stalls at which the necessary commodities of life are sold, and which should therefore be classed as a work of public and general convenience and utility.

3. I am accordingly to request that the loan sought by the Kurnool Municipality may be approved, and that this Government may be authorised to sanction in future all loans applied for for similar purposes.

(Signed) J. F. PRICE,
Chief Secretary.

To
The Secretary to the Govt. of Madras,
Local and Municipal Dept.

Sir,

I am directed to acknowledge the receipt of your letter, No. 1051-M. Mis., dated the 22nd June 1896, (addressed to the Home department), regarding an application from the Kurnool Municipality for a loan of Rs. 5,000 for the construction of a market within the town.

By rule 1 in paragraph 4 of the Resolution in this Department, No. 13, dated the 1st January 1889, loans to Municipalities from Provincial funds may not be granted "for works which are merely or mainly ornamental or convenient, such as a townhall, public garden or market place." His Excellency the Governor in Council is, however, of opinion that the term "market place"

place" was not intended to cover a "market" and it is requested that the loan to the Kurnool Municipality may be sanctioned and that the Government of Madras may be authorised to sanction in future all loans for similar purposes.

2. In reply, I am to say that the intention of the Government of India in the Resolution quoted above was to include a "market" in the term "market place". I am, however, to refer you to the Resolution in this Department, No. 4149-K, dated the 30th September 1896, and to say that, in accordance with the terms of that Resolution the loan may be granted by the Local Government to the Kurnool Municipality, but that it should be repayable in ten years.

Letter—Mis. No. 1051 M., dated 22nd June 1896, to the Secretary to the Government of India, Home Department.

An application from the Kurnool Municipality for a loan of Rs. 5,000 in view to the construction of a market having recently been received by this Government, I am directed to submit it with the following remarks for the orders of the Government of India.

2. In Resolution (Department of Finance and Commerce), No. 13, paragraph 4 (1), dated 1st January 1889, it is laid down that loans to municipalities from Provincial funds may be granted only for works of public and general convenience and utility, ... and not for works which are merely or mainly ornamental or convenient, such as a town-hall, public garden, or market place. It appears, however, to His Excellency the Governor in Council that by the term "Market place" is meant an open space where people may assemble to buy and sell, and that it was not intended to cover a "market", that is, a covered building erected for the convenience of the public and fitted with stalls at which the necessary commodities of life are sold, and which should therefore be classed as a work of public and general convenience and utility.

3. I am accordingly to request that the loan sought by the Kurnool Municipality may be approved, and that this Government may be authorised to sanction in future all loans applied for for similar purposes.

(Signed) J. F. PRICE,
Chief Secretary.
