	Aided from Provincial Funds	2	2	"	"	"	The qualifications of the teaching Staff show a marked improvement. The increase in the number of certificated teachers and of those who have passed a general education test are some indications of the wholesome influence of the recognition rules and of the useful work of Sessional Schools. Out of the 211 unpassed teachers employed in the aided Primary Schools of the District 122 possess the Service qualification required under the Educational Rules for the recognition of Schools. These teachers enjoy for purposes of aid all the privileges which the Grant-in-aid Code allows to untrained Teachers' certificate holders.
