Governor of Madras.

CHIEF SECRETARIAT
6 NOV. 1896
GOVERNMENT OF MADRAS

The Humble Memorial of the inhabitants
of the Town of Ongole.

Respectfully Sheweth,

That your Excellency's Memorialists have heard with no small regret that on the expiration of the term of Rev. J. E. Clough, D.D., Senior Missionary A.B.M. Ongole as Councillor in the Ongole Municipality, he has not been recommended again for appointment and that a Brahmin has been nominated and recommended to fill the vacancy.

Your Excellency's Memorialists further understand that the reason put forth for this is, that he has been a

1/3011 Mopd96

Councillor for many years and that the Mission influence in the Council is very strong.

While your memorialists admit with pride that Dr. Clough has been on the Municipal Council since the municipality was organised in Ongole, except during the periods he was away in Europe or America, your memorialists most respectfully submit that the statement that Mission influence in the Council is very strong is both unfounded and unfair.

Your Excellency's memorialists respectfully submit that of the fifteen existing Councillors five are Brahmins and if the newly recommended one is appointed there will be six Brahmins in the Council out of a total of sixteen.

As will be seen from the figures given below Dr Clough on behalf of himself and the Mission pays a large amount of taxes to the municipality and it was he among non-officials, that advanced the cause of the organisation of a municipality in Ongole and further contributed several articles to the "Athaenum and Daily news" and the "Madras Times" advocating and urging its need besides rendering help and advice to the Government Officials.

When the proposal to organise Ongole into a municipal town met with the approval of Government and received its final sanction, the Corporation was formed with Dr. Clough as one of its members and since then he has filled the place with credit and honour and all the Sub Collectors, with no exception so far as we are aware, have had a very high regard for Dr. Clough and they always respected his deliberations.

Your memorialists most respectfully beg leave to bring to your Excellency's kind notice that it would be too much to enter here into details of the various public good done for Ongole by the Rev. Gentleman. It would not be expressing too much when your memorialists say

say

say that what Ongole is today, is in a great measure due to the efforts of Dr. Clough who has spent 30 years of his life and strength in the uplifting and the improving of the condition of the poor and neglected classes.

The amount of taxes paid to the Municipality for all the mission buildings and lands together with Dr. Clough's professional tax and taxes on vehicles is about Rs 270-9-2. The taxes on the several buildings are paid into the Municipality in the name of the heads of each different department and Dr. Clough himself pays about Rs 103-2-4.

The College, the various schools for boys and girls and the caste school for girls are all evidences of the good he has done for Ongole and also of the deep interest he takes in education. His ripe experience of Ongole extending over a period of 30 years, is of inestimable worth. Having been so long in the country he is well acquainted with the conditions of the people and he knows what their needs are. He is one of the leading members of the place and is an honour to the town. He has always identified himself one with us and has been a prominent citizen and Ongole is proud of him.

That such a one as he should be thought not fit to be appointed as a Councillor, Your Excellency's memorialists feel grieved and consider that justice fails and credit is not given to experience and merit.

Your Excellency's government has been marked for strict and impartial justice and your memorialists pray that Dr. Clough be appointed Councillor by which honour will be done to whom honour is due.

For this act of kindness, Your Excellency's memorialists, shall as in duty bound ever pray.
