SIR,

Enclosures:—/.

I have the honor to inform you that a copy of Snellin's Best Type Book at a cost of Rs 3-14-5 was purchased from the Principal Medical Store Keeper Madras, for the use of the Krishnagiri Hospital at the end of the year 1895 under the following circumstances.

2. The Civil Apothecary at Krishnagiri indented for the book in his consolidated indent for blank forms & books for 1895-96 on the Principal Medical Store Keeper Madras and submitted it to him through the District Medical & Sanitary Officer Galeem. He was supplied thereon with a copy of the book.

by the Medical Store Keeper. This came to my knowledge for the first time through a voucher for its cost sent by the Secretary to the Surgeon General with the Government of Madras. There upon the District Medical Officer was addressed to state whether the purchase of the book was had been recommended or sanctioned by Government. He communicated the Civil Apothecary's letter explaining that Government sanction for its purchase was not received by him and that he indented for the book as it formed the 4th item in the printed form of indent and as it would be useful for testing eyesight of Candidates appearing for health certificates. On this explanation the expenditure was admitted and necessary adjustment was made as it was unavoidable.

3. The Treasury Deputy Collector placed the expenditure under objection for want of Government sanction for its purchase.

4. In the above circumstances I have the honor to request that you will be good enough to obtain the sanction of Government for the purchase of the book referred to as a special case.
5. A Copy of the Taluk Board's Resolution sanctioning the purchase is herewith submitted.

I have the honor to be
