THE HONORABLE

J. J. Price,
CHIEF SECRETARY TO GOVERNMENT,

DEPARTMENT,

MADRAS.

SIR,

I have the honor to report that during the present prevalence of Cholera in this District, the Chairmen of Municipal Councils have been making daily reports of attacks and deaths for embodiment in the District returns and for the information of the District Officer, as has been customary and is very desirable, though I cannot find any orders of Government expressly requiring it. 2. From the Visianagaram Cantonment however, no reports were received until five days after the disease had made its appearance there, and there had occurred

occurred 26 attacks and 16 deaths. I cannot find any orders under which the Military authorities in Campments are required to report cases of Cholera daily to the Civil officers of the District, but I think it is obviously desirable that they should do so. Para 2121 of the Madras Army Regulations might apply but gives no definite instructions. I request that, if no orders exist on the subject, such as may be thought fit may be issued.

I have the honor to be
