I have the honor to state that the provision
of Rs 3000 for the current year for
Thandikudi dispensary cannot be
utilised this year, as the dispensary
has been ordered to be removed to
Sholakadu. The decision to erect a
pukka dispensary building at Shola-
kadi has to be arrived at only after
seeing the result of the removal of
the dispensary to the latter place, which
is not likely to be so soon before the
close of the year as to require any
allotment from the provision for
the construction of the dispensary.
Besides, I expect some savings
under Grants II & III in the current
year. With these savings I propose
to meet the deficit with which the
year is expected to close.

Sir,

In reply to para 2 of G.O. No. 1342 of 1896 dated 26th August 1896, I have the honor to state that the President of the Diindigul Saluk Board proposes in his letter (copy enclosed) to close the deficit of Rs 3245 from expected savings in the current year under Grants I, II, & III. There is a provision of Rs 3000 made in the Budget under Grant I for the construction of a dispensary building at Thandikudi. Government having since sanctioned the transfer of the dispensary to Sholakadu, the amount is not likely to be utilised in the year. It is not proposed to build a dispensary at Sholakadu till it is ascertained after some trial that the transfer is advantageous.
