District Board's office, Simunelly.
 Dated 6th October 1896.

From,

A. D. B. Higgins Esquire,
 President, District Board,

Local & Simunelly.
 2797 L

To,

The Chief Secretary to Government,
 Fort St. George.

Sir,

I have the honour to reply to Govern-
 ment memorandum dated 15th August 1896,
 No. 954.

2. Para(3) The mileage of roads shown in State-
 ment IV B of 1894-95 includes also the length of
 roads not maintained by Local Boards, but
 on which there are avenues. The length of 915
 miles shown in the statement for 1895-96 is the
 mileage under maintenance. For the purpose
 of this statement, the preceding year's figures,
 1948 miles should have been shown.

3. Para(7) The figures shown in Columns 12 to
 15 of statement XVI B, with reference to the
 Panhagato

Panchayats of Pulizangudi and Srivaikuntam,
are correct. In Pulizangudi union 8 vacancies
occurred during the year 1895-96 including
the seat vacated by Kandasami Pillai,
whose name was erroneously omitted to be
shown in Column 8 of the Statement. Kanda-
-sami Pillai's place was filled in April 1896.
A Krishnasami Naydu who was reappointed
during the year died, as shown in the — This was not shown.
remarks Column of the Statement, shortly
after his re-appointment and the vacancy
was filled in May 1896. In Srivaikuntam
union, Gurusai Sambasiva aiyar was re-
-appointed during the year. Having been
transferred from the District, he resigned
his seat as shown in the remarks Column
of the Statement and the vacancy was filled
in July 1896.

Para(8) The figures shown in Statement XVI B
are correct. It is requested that necessary

Corrections

Corrections may be caused to be effected in
Statement XVI A.

5 Para(9) The figures shown in the report for
1894-95 are correct. The figures relating
to the Muhammadan Inspecting School masters
work were not received when the draft —
report was under preparation, and according
-ly were then omitted: but information having
been received before the report was submit-
-ted, the figures there were altered, and
the 15 Schools that were deducted from the —
total number of 1894-95 were through over-
-sight omitted to be included in it. Hence
the difference.

6 Para(11) The correct figures are 91, according
to the details furnished in the report.

I have the honor to be,

^{res}
Yours most obedient servant

President

Quarterly Report on

Memorandum.

C. No. 1960 L

Dated the 15th Sept 1896.

No. 954

The following points are
noticed in the President's report
and in the statements submit-
ted with it:—

(1) In columns 5 and 7 of
Statement I. at the sum of
Rs. 40, being the interest expected
from the endowment in favour
of the Nanguneri Anglo-Ver-
nacular school has been shown
under "II Education (d) Income
from Endowments" instead of
under "IV Interest", notwithstanding
the remark in clause
1 of G.O. No. 549 dated 22nd
March 1895.

(2) In column 5 of Statement III
the

the authorities sanctioning the estimates for some of the new works have not been quoted.

(3) In column 2 of statement IV B the mileage of roads planted with avenues is given as 915, but according to the statement for 1894-95 it was 1948.

(4) The net cost of educating each pupil in the several departments shown in column 22 of statement IX should have been arrived at by dividing the net cost given in column 21 by the average attendance entered in column 8 and not by the attendance on the 31st March last.

(5) The population of the district given in column 5 of statement XVI et includes that of the Srivilliputhur Municipality.

Original of 94-95 revision has not been put up for printed revision. This need not wait if fig. is verified.

Vide column 2 of the statement in para. 7 of the report.

(6) In the same statement the number of ex officio members on the Nanguneri Union Panchayat should have been included under column 11 and not under column 12.

(7) From columns 12-15 of statement XVI B it appears that the constitution of the Puliyangudi and Srivaitkuntam Panchayats on the 31st March 1896 was as shown below:—

	Ex officio members.	Officials.	Others.	Total.
Puliyangudi	3-	"	7	10
Srivaitkuntam	3-	1	7	11.

But according to columns 4-11 it should be as follows:—

	Ex officio members.	Officials.	Others.	Total.
Puliyangudi	3.	"	9	12
Srivaitkuntam.	3.	2.	7	12.

(8) According to column 14 of
Statement XVI B, the number
of non official members on the
Ambasamudram, Kallida-
m Kurichu, Vartirayappu, Thirundu-
patti and Sathur Panchayats
was 6, 9, 9, 4 and 3 respectively,
but the corresponding figures
given in column 12 of State-
ment XVI are 5, 8, 8, 5 and 5.

(9) In para. 30 of the President's
report the number of Local
Fund Schools prepared for
by the Suspecting Schoolmasters
examination in 1894-95 is given
as 58; but according to para. 30
of the report for that year,
printed in G.O. N^o 17072 d
16th September 1895, it was 73.

(10) In para. 36 the percentage
of the number of boys under
instruction in the board and
aided schools to the male
population of school going age
is

is given as 19.9 instead of 20.3.

(11) In para. 51 the total
number of endowed institutions
at the end of the year is given
as 90; but according to the
details therein furnished it
was 91.

The necessary corrections
have been made with refer-
ence to clauses (1), (4) to (6)
and (10) alone. The discre-
pancies noticed in clauses
(3), (7) to (9) and (11) should be
explained as soon as possible.
