Col. Inoos has evidently
not taken any action as
to examⁿ of passengers
at Raichoor, but it is difficult
to see how he can interfere.

It would seem advisable to
wire to the Resident Hyderabad
asking whether the medical
offices Hydr. Contingent at
Raichoor may be directed

The medical officer to examine
passengers from Bombay at
Raichoor, Dr. King tells me nothing
has been done. A wire should
therefore go to Resident Hyderabad
asking if Med. Off. Hydr. Cont. at
Raichoor may examine passengers
from Bombay & put himself in
communication with
Sanitary Comm. Madras. At 23.10.96.

Dear Sir,
In a recent letter from Moore, about measures taken against cholera he says that he believes that you are arranging for ^{the} medical examination of passengers at Raichur. I am therefore to ask what steps you have taken in this connection, or whether the matter is still in the same position as when you wrote your D.O. of 7.10.96.

Municipal office,
MADRAS,
14th October 1896.

My Dear Arundel,

Your D.O No 3 of this day's date.

* in G.O No 1862 of 10-10-96 (A)

Arrangements have been made for some time for all Bombay Trains to be inspected by qualified Sanitary Inspectors at Perambore. The addresses of the passengers are taken and they are watched for 10 days. The Sanitary Commissioner is arranging about Adoni - Raichur too I believe - and Bezwada. Besides this Chetput and Washermanpettah Stations are being watched.

The Port and Marine Surgeon is making arrangements to inspect all ships from Bombay. The Municipality has done it hitherto.

The Post-Master has been addressed about disinfection of the Mails from Bombay.

Many other precautions have been taken and all suggestions of Sanitary Commissioner carried out as far as possible. Do you want full details? Everything is being done as quietly as possible so as not to alarm the public unnecessarily.

Yours sincerely,

Edw Moore

The Hon'ble

Mr A.T.Arundel.
