No. 157 S.

It was decided - see flags
A + B - that Mr Forbes, Collector
of Chingleput, should be the
Civilian member of the Board.
This was before sanction was
received for the appointment
of the new Secretary. It is

now a matter for consideration
whether it would not be better
to appoint the new Secretary
as the Civilian member of the
Bd. From the nature of his
duties he will be thoroughly
acquainted with all L. & M.

SUBJECT.

Reg^d to submit for His
Excellency's approval the
name of a member of

The
chief objection I see to
this suggestion is that

with "Legislative" on his hands in addition to L & M. and Educational, he may find it difficult to attend to Sanitary Bd. matters and in particular to attend Sanitary Bd. meetings during the Legislative Session.

The Collector of Chingleput on the other hand will - except when absent on tour - be more master of his time. I am inclined therefore to think that at any rate for the present it may be better to adhere to the arrangement already made and let the Collector of Chingleput be the Civilian Member of the Board.

A.S.A. 20.10.96.

Mr. Murdoch is perhaps rather junior to serve on such a Board. Mr. Forbes might try it; if it gives him too much work, a change might be made later on.
