Order

No 1921 in n. d. 19-11-96

The description of the eastern boundary now given is imperfect. The point near the Irumiselt Tank, which the line drawn southward from the Rajanagarum toll gate meets, has not been specified, nor have the survey numbers of the Hukumpela lands been given. The line above referred to is described as meeting the Dowlaiswarum Road where the railway line crosses it, but from the sketch, this does not appear to be the case. The draft notification should therefore be amended with reference to the above remarks.
