CURRENT No. 27237

District Board, Godavari

TO

The Chief Secretary to Government,
Local and Municipal Department,
Madras.

SIR,

In submitting herewith a copy of the
Resolution No. 16
26.9.96 passed by the District
Board proposing that the pay of the Engine
driver of the Steam roller belonging to the
District Board shall be raised from Rs 30
to Rs 50 per month. I have the honour to
state that Mr Justin, the late driver
gave up his place on the 5th March 1896,
dissatisfied with the low pay, and that
considerable difficulty has been found
by the District Board Engineer in finding a competent
man

man to take his place. The place ~~was~~ has
now been vacant for six months, but
the Engineer has at last been able to
procure the services of a certified driver
who was last employed on the B.B. & C.
Railway as a Fireman on Rs 80 per month.
Having regard to his qualifications and
the difficulty of securing men who
know anything about engines, the
Board ^{has} approved of the Engineer's proposal
to raise the pay to Rs 50, as provided
in the scheme for the reorganization
of the L. F. Engineering establishment
of this District (vide my letter Ref on
Govt No. ³⁶³/₂₁₃ of 96, dated 16. 10. 95). I ^{enc 30702}
request, therefore, that Government
will be pleased to accord its sanction
to the said proposal.

2. The usual proposition Statement is
enclosed.

I have the honor to be,
Sir,

Your most obedient servant
